## SHISTY

Christopher Graves, a.k.a, Shisty was born in November 1983. Music became a passion and a dream while Chris was a teenager. The pursuit began when Chris began to perform with his close friend and fellow rapper, Plan B, and formed the group, C.I.A, in the late 90's. Plan B's untimely death isolated Shisty, leaving him to pursue his dream alone. Shisty moved to Oakland in early 2000 and helped to create the group, The Circle Mob, which included Shisty, Big Face and super producer & rapper YAY. Later Shisty linked up with Ron, C.E.O of 65 Max Entertainment, and connected with Hatchett Tha 1st. Soon after Shisty and Hatchet recorded "Deadly Combination" and the mix-tape "We R The Movement", as well as two behind the scenes DVDs. Shisty also recorded his solo album titled, "Still Shisty" and took it to the stage doing a number of shows including the "Deadly Combination" record release party. With all this experience it's clear that Shisty is ready for lights, camera and action.

## HATCHET

Aqueel Shabazz, a.k.a, Hatchett Tha 1st was born and raised in Oakland CA, and has been putting in work for quite sometime. He debuted at a record release party opening up for Houston, Texas native Paul Wall, as well as performing with some of the Bay Area's biggest recording artists - Mistaf F.A.B., San Quinn, Turf Talk and Big Rich. He also performed for Iraqi soldier's homecoming and at a "Stop The Violence" event which took place all over the Bay Area. Hatchet began with the group, The Fellow Crime's, which was followed by two underground albums with the group, Animated. It was with Animated that he connected with his counterpart, Shisty, and met the C.E.O of 65 Max. Soon after they recorded the explosive debut titled, "Deadly Combination." It's safe to say that Hatchett Tha 1st is ready to hit the big stage.
